Greetings, Bill & Rory,

Congratulations and a standing ovation for “When Thurston came to Town”. You have created a historic masterpiece that will live forever in the minds, hearts and libraries of magicians the world over. Everything about the D.V.D. is expertly done. I can only imagine the amount of time dedicated to the research. You are very generous to have included my piece with so many of the elite of magic. I am indeed honored and thank you.

From the early 30’s, when I attended the “Wondershow of the Universe, I have considered Howard Thurston to be the worlds greatest magician. Your D.V.D substantiates that belief.

I thank you for gifting me a copy of this exciting and inspirational piece of work. I wish you a world of success with “When Thurston Came To Town”!!!!!!!

Best magic wishes,

Bill Andrews
